PROFESSIONAL SUMMARY

Aspiring Full Stack Web Developer with hands-on experience building responsive web applications using HTML, CSS, JavaScript, React, Python, REST APIs, Firebase and MongoDB. Completed structured training through FNB App Academy and the Zaio × iHub Africa Full Stack Web Development Programme. Passionate about clean UI, accessible design and continuous learning. Seeking a junior full-stack or front-end role where I can contribute to real products and grow with a collaborative team.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React, Bootstrap, Responsive Design

Backend & Data: Python, REST APIs, Firebase, MongoDB

Tools: Git, GitHub, VS Code, Netlify, Vercel

SELECTED PROJECTS

Google Keep React Clone

React · JavaScript · CSS | Live: googlereactkeep.netlify.app

- Built a notes app with create, edit, search and delete functionality using React components and state management.
- Focused on modular component architecture, responsive layout and clean user experience.

iHub Africa Website Prototype

HTML · CSS · JavaScript | Live: client-website-prototype-i-hub.vercel.app

- Developed a client-facing website prototype with clear information architecture and professional branding.
- Collaborated in a programme setting; practised responsive design and real-world content structure.

Twitter / X & YouTube UI Clones

HTML · CSS · JavaScript

- Recreated complex social and video platform interfaces to strengthen CSS Grid/Flexbox and interactive UI skills.

Weather API App

JavaScript · REST API · HTML · CSS

- Integrated a public weather API to fetch and display live conditions; practised async JavaScript and API error handling.

EDUCATION & TRAINING

Zaio Institute of Technology × iHub Africa

Full Stack Web Development Programme

- Hands-on training in front-end and back-end development, real projects and professional practices.

FNB App Academy

Software Development Foundations

- Foundational software development concepts and practical coding experience.

ADDITIONAL STRENGTHS

Team collaboration · Problem-solving · Continuous learning · Clear communication · Attention to detail
